RE: Truman Smith v. Bryco Arms 02-CV-3029 (JRW)
Johnson v. Bryco Arms 03-CV-2582 (JRW)

Dear Mr. Renzulli:

Pursuant to your demand and the Order of Magistrate Judge Pollak, dated January 27, 2005, enclosed please find the amended trace data run of the trace data for 1997-2000. Due to various problems with the data, of which you are cognizant, as a result of having your expert on the telephone call between Howard Andrews and ATF, please be advised that we cannot provide you with the fields you requested: involve date, dealer transaction data and trace date. We can provide you with transaction date, which I am told will tell you when the gun was shipped to Atlantic Gun & Tackle. This will enable you to locate the trace in your records.

I now understand that Gary Harvey, William Wecker's assistant is working with you and has a facility with the database. If you have a problem with the information I am transmitting, please let me know immediately Monday morning and I will deal with the you and the Court as early in the week as possible.

Very truly yours,

Elisa Barnes
